

# ALIDA TEQUILA BLANCO

## TASTING NOTES

### NOSE

Clear in colour, Alida has a complex yet delicate nose. Emanating scents of sweet agave are accentuated by the aroma of tropical fruit and citrus which are complimented by notes of fresh botanicals and volcanic minerals.

### PALATE

The bright agave flavour introduces a light to medium-bodied palate with hints of black pepper and vanilla bean that are enveloped by the sweet nuances of grilled pineapple and lemon grass.

### FINISH

The finish is clean and warm with layers of spice, white pepper and green vegetables.
