

Beit El Winery

Since 1996

CLIFF VIEW Single Vineyard Carignan

This special production Rhone style wine starts with fine grapes grown in our very own Beit El vineyards. The special weather combined with unique red mineral filled soil, provide the optimal conditions necessary for balanced ripening. The Cliff View Carignan is aged for 6 month in select barrels. It has ripe blackberry, vanilla, and nutmeg flavors. Dark fruit flavors linger on the palate through a long, graceful finish. This inimitable red varietal will reward aging, but is beautifully complex and enjoyable now. We invite you to enjoy our heritage!

About the Winery

Nestled amongst the beautiful rolling Binyamin Hills in Israel's biblical heartlands, is the family owned Beit El estate winery, which draws upon a rich cultural and spiritual heritage to inspire the creation of exquisite wines that continue to grow in popularity. Today, at this site of famous Biblical dreams, modern dreams are coming true.
