

Beit El Winery

Since 1996

OR YAKAR Single Vineyard Cabernet Sauvignon

The Beit El vineyard is 850 meters above sea level; the vineyard has been farmed naturally without irrigation or fertilization. This wine has been aged for 12 months in French barrels. We have been rewarded with very concentrated flavors and deep purple-black color. It offers tastes of plum and warm blackberries, pleasant tannins, and a long finish. This is a very approachable yet complex wine which can be enjoyed many years to come.
