## TOASTED CASK STRENGTH FINISH BOURBON WHISKEY

Toasted Cask Strength Finish bourbon whiskey takes up the easy, sweet flavors from finishing for three months in toasted American oak bourbon barrels.

We finished our aged Cask Strength Bourbon in toasted oak barrels to bring out additional vanilla, toasted oak and sweet caramel notes.

### MASHBILL

75% corn, 21% rye & 4% malted barley

119.6 Proof

59.8% Alc by Vol / 750 ML
