

# BORGO BELLA

## Rose

**Name:** Rose - Rosato Puglia

**Appellation:** Indicazione Geografica Tipica

**Area of Origin:** The grapes are grown in the most suitable areas of Apulia, where the fertile soils overlooking the sea and the sunshine guarantee their perfect ripening.

**Vinification:** Wines are made in the winery of Torricella, by using a technique of immediate separation of the solid parts. The must is then fermented at very low temperatures, thus preserving all its aromas and fragrance.

**Grape Variety:** Apulian grape varieties.

**Tasting Notes:** Brilliant pink in color with cherry hues; an intense, persistent bouquet with hints of newly pressed grapes, bitter cherries, powder and a touch of wild violet; a full-bodied, soft, and rounded flavor with a pleasing fruity vein and a long finish.

**Food Pairing Notes:** Very easy to drink. Excellent with delicate dishes such as white meat, sushi or fried fish; perfect as a thirst quencher or aperitif. Uncork just before serving. Serve at 8 or 10°C.

**Aging Potential:** 24 months
