

# Château Les Vergnes

« Respect the genius of its terroir, its vineyard and the climate cycle to offer you a unique and inimitable wine », Serge Labat, technical director of the château Les Vergnes

## A.O.P Bordeaux

### A strong and sustainable history

Chateau Les Vergnes belonged to Gargan Baron who carried out successfully the first experiments against the phylloxera since 1879. From then on, the vineyard never stopped using modern vineyard techniques. Chateau has been certified "Integrated Farming" estate since 2005 and then certified **High Environmental Value**, Chateau is recently committed to a **sustainable production approach**, respecting a fundamental principle: to produce a quality wine that, throughout its development, respects the Men, the Earth and our Landscapes. This commitment carries the signature "**Bee Orchid**", a rare orchid preserved on the estate, certification label of Earthwatch Institute **NGO**.

### Terroir

Clay limestone soil, north-south exhibition

### Grape varieties

66% Merlot, 18% Cabernet Franc and 16% Cabernet Sauvignon  
\* Percentage that can change according to the conditions of the vintage

### Vinification

Made in the pure tradition of the greatest Bordeaux chateaux: maintenance of temperatures (30°C maximum), automated management of pumping and aeration, 10 to 15 days long maceration and control of malo-lactic fermentation. Aging in stainless steel tank before bottling and storage in cellars for 6 months before selling.

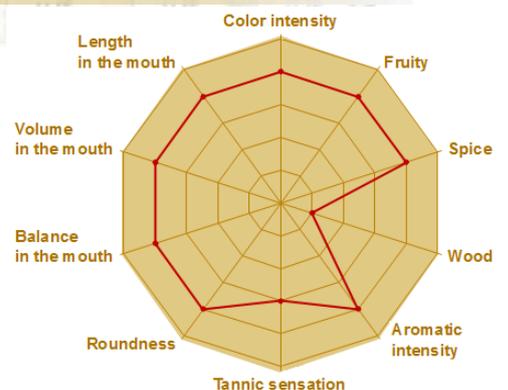

### Organoleptic profile and tasting notes

Color : deep red

Nose : rich in aromas of red fruits and leather

Palate : fine and silky tannins with a nice roundness. Powerful but keeping a certain elegance

### Service Tips

Around 18°C

Ideal as an aperitif with autumnal flavors such as pan-fried mushrooms and rib steak or grilled gamey meats.

### Consumer profiles

- Environmental friendly wines lovers
- For lovers of balanced and structured red wines
- Wine cellars and restaurants eager to make their customers discover a red wine of quality, elegant, expressive and carrying the values of sustainable development
