

DALTON

WINERY

Vermouth

Extra Dry

100% Semillon grapes from the El Kosh Vineyard in the Western Upper Galilee.

Vermouth is a spirit that many drinkers have at home, but some aren't quite sure how to use.

The Dalton Vermouth has a bright amber color. On the nose: Zaatar, orange peel, wild mint, wormwood, hyssop and juniper berries and other Mediterranean herbs jump out. The finish is slightly bitter sweet. This is a fortified wine, that is very complex and can be used as a standalone beverage served with an ice cube or as a cocktail ingredient.

17% Alcohol by volume
750 ML
