

# LEWIS PASCO

## The Pasco Project Cabernet Vintage 2019

The Pasco Project series wines are fashioned from established and emerging vineyards of premium terroir to deliver fruit forward varietal flavors married with maturation in classic 225 liter French oak casks. The wines are unfinned and minimally filtered, designed to reflect the winemaker's firmly held belief that fine wines are created in the vineyard.

### GRAPES

80% Cabernet Sauvignon, 15% Merlot, 5% Petit Verdot

### OAK MATURATION

9 months barrel ageing in a mix of European oak barrels from selected coopers.

### ALC BY VOLUME

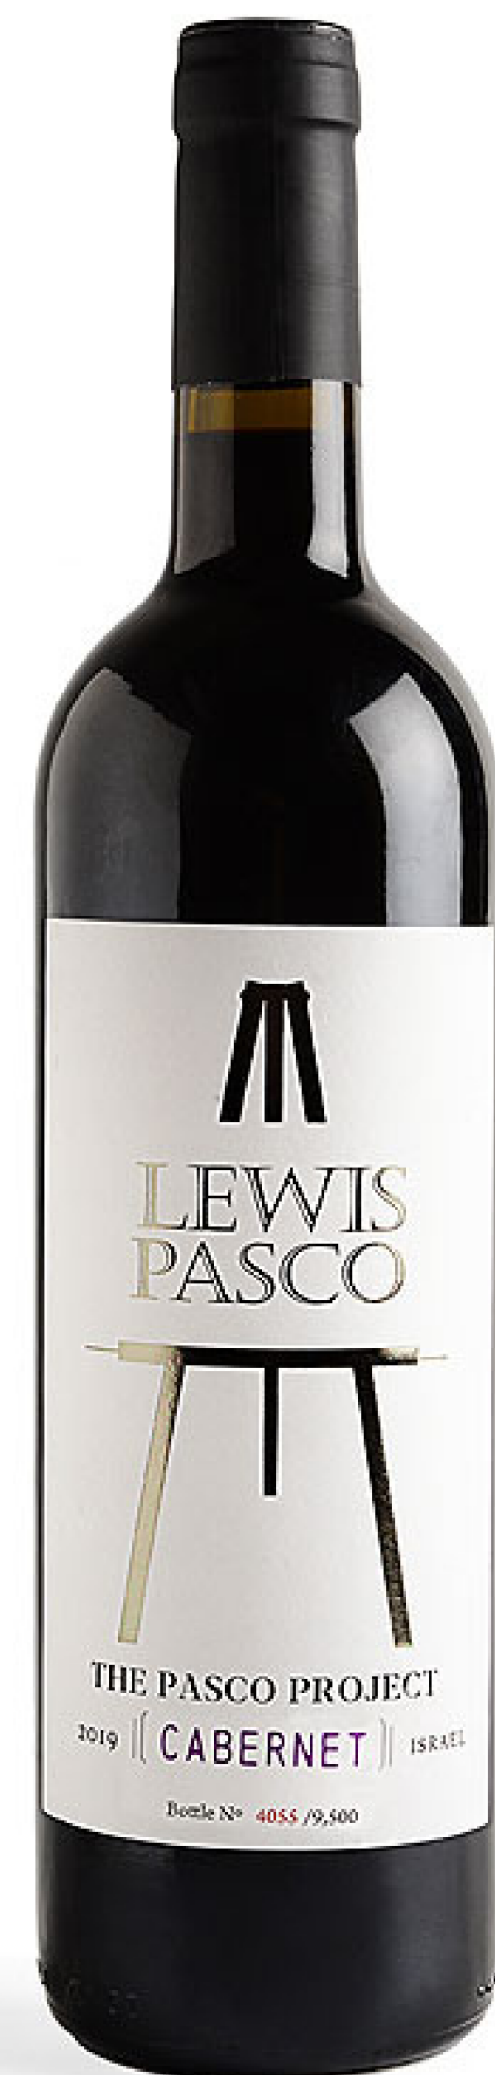

13.5% | 750 ML

### WINEMAKERS NOTES

The 2019 Pasco Project Cabernet combines grapes from vineyards in 2 different appellations with similar geological, topographical and climatic characteristics. The vineyards overlay beds of limestone that naturally yield moderate crops. The resulting wine has a classic "European" mouthfeel and length. Enjoyable at release, the wine will continue to gain complexity, smoother mid-palate flavors, and a longer aftertaste with extended bottle aging.
