## SINGLE BARREL BOURBON WHISKEY

### FINISHED IN HONEY BARRELS

This Single Barrel Bourbon Whiskey has spent an additional 3 months of finishing in a honey barrel. The sweet residue of the honey barrel is expressed both on the palate and with additional viscosity. This spirit is a great, balanced, anytime bourbon, even for dessert.

#### MASHBILL

60% Corn, 36% Rye, 4% Malted Barley

PROOF: 114	ALC BY VOL: 57%
BARREL: B745	FINISH: 3 mos.

#### PALATE

Rich Honey complimented with notes of Baked Bread and Vanilla. These flavors ride the waves of honey as the sweetness ebbs and flows the longer you dissect the sip.

#### FINISH

You're left with that familiar sticky honey, which is the defining flavor note of this bourbon, along with dry oak and pleasant warming heat
