Winemaking

The grapes were harvested before dawn on a sunny day as the grapes reached maturation. After crushing and destemming the mesh was pressed and the juice left to settle. The juice fermented slowly at a cool temperature for three weeks.

Tasting Notes

A dry white wine with white peach and pineapple aromas, subtle minerality and crisp well balanced body.

Serving suggestions

Pairs well with delicate fish, perfect with salmon (smoked or cooked), and surprisingly well with goat cheese.

Family of Wine

In the Old City of Jerusalem, the Shor family founded Israel's first recorded winery in 1847. Now, over 170 years later, the seventh and eighth generation manage the fifth largest winery in Israel. Hayotzer Winery marries the tradition of Israel's foremost wine family with the creativity of one of Israel's finest winemakers.
