

KING'S TOASTED RYECONIC RYE WHISKEY

ABOUT

Spice and cinnamon dominate the flavor profile of this cask-strength, thrice barreled Rye Whiskey. You will notice sweet notes of caramel and toasted oak at the end.

Each batch is triple oaked. The first and second barrels are new charred white oak, and the third is a six-hour char with a flash toast.

54.1% Alc by Vol
750ML

MASHBILL

95% rye and 5% malted barley,
aged at least 6 years

THE KINGS

King's Family Distillery, based in Tennessee, has long been inspired by Icons of whiskey which are brought to life in King's Ryeconic. Husband and wife team, Justin and Cara, have over a decade of experience in the whiskey industry. The original rye grain used to produce the distillation was provided by Cara's family grain company. Spirits distilled with high integrity and almost impossible standards can only come from a family-run shop like the Kings.
